“A function of leadership is
to produce more leaders
not followers”

Ralph Nader
American Activist, Author and Attorney

Our Differentiation Mould Innovators

Founded in 1992, Delta English School is an independent institution focused on STEAM-based differentiated learning. As an early and pioneering Central Board of Secondary Education provider in the United Arab Emirates, Delta English School is recognized for its advanced education engine, tradition of excellence and history of producing students who impact local and global communities. Delta English School honors its past to help create the future of education. With the strongest and most competitive academic programs in the world, Delta English School prepares students to become 21st century innovators and leaders of tomorrow.
