

Dear Valued Parent and Titan,

This is a very important message – Please do not skip or ignore it!

Delta English School (DES) uses **Nebula** - a K-12 operating system that contains over 10 award-winning apps. Nebula is an integral part of DES education for Kindergarten 1 to Grade Level 12. **Your Titan MUST have a TABLET with the following specifications:**

Device Specifications for Kindergarten 1 to Grade Level 02		Your Titan will use many graphics-heavy apps from K1 to GL 02.
Device Type:	Tablet (NOT Laptop)	
Display:	Minimum 10-inch or higher	
Storage Capacity:	Minimum 256GB or higher	
RAM:	12GB or higher	ITS Team advise that you purchase one of these two tablets for your Titan: Galaxy Tab S9 or S10 OR Apple iPad (Basic)
Required Accessory:	Stylus or Tablet Pen	
Operating System:	Android or iOS	
Finish:	Graphite or Platinum	If you have more than one Titan in K1 to GL 02 at DES, each of your Titan MUST have his or her OWN tablet.
Browser:	Chrome (latest version)	
Case (Device Cover):	Strong tablet cover to prevent damage	

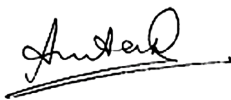

If you purchase ANY random tablet, your Titan will have problems accessing many DES apps.

DO NOT purchase pre-owned (refurbished) devices as they will fail and certain DES apps will not work.

It is very important that you purchase the correct tablet for your Titan at DES. Please take this very seriously and do not allow your Titan to get zero grades because he or she has the wrong device or an old (refurbished) device.
