Our Differentiation Mould Innovators

Dear Valued Parent and Titan,

I hope you are staying safe and healthy over the Summer Break. This past quarter has been truly unprecedented, unlike anything we could have imagined. You did an amazing job and need a well-deserved break!

We are proud to announce that Delta English School received the HIGHEST RATING of “DEVELOPED”
in a recent Distance Learning Inspection held by Sharjah Private Education Authority (SPEA).

SPEA’s rating of “Developed” is equal to OUTSTANDING

Out of all Sharjah private schools, only 15% received “Developed” rating and DES is proud to be one of them.

DES was virtually inspected on June 17, 2020 by reputed international inspectors assigned from SPEA.

Objectives of SPEA Distance Learning Inspection at DES:

- Ensure the delivery of high quality teaching and learning services during COVID-19 pandemic.
- Evaluate DES’ distance learning program, as delivered through Nebula.
- Ensure that DES manages the learning and wellbeing of students.
- Support DES in its journey to a more sustainable and flexible learning option phase.

For the Distance Learning Inspection, SPEA used the **UAE Distance Learning Evaluation Tool - Stage 1** that consists of three (3) zones, thirteen (13) themes and thirty-nine (39) descriptors.

	Zone A: Students’ Distance Learning and Wellbeing	Zone B: Teaching and Monitoring Students’ Learning	Zone C: Leading and Managing Students’ Learning
Themes	Attendance and Participation	Planning and Delivery	Agility
